## **DETAILED ACTION**

### ***Election/Restriction***

Application's election without traverse of Group I (Claims 1-16 and 26-29) drawn to a semiconductor device is acknowledged for prosecution in the subject application. Accordingly, claims 17-25 are withdrawn from consideration as being directed to a non-elected invention. See 37 CFR 1.142(b) and MPEP § 821.03.

Applicants have the right to file a divisional application covering the subject matter of the non-elected claims.

### **Examiner's Amendment.**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

**Cancel claims 17-25.**

### **Reason for allowance**

The following is an examiner's statement of reason for allowance: None of the references of record teaches or suggests the claimed Multi-chip Module Having Bonding Wires and Method of Fabricating the Same having bonding pads on the lowest chip are

interposed between the lowest chip and the insulating tape, and wherein the insulating tape attached to the backside of the top chip insulates the first group of bonding wires from contacting or connecting to any part of the top chip.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".
